

## WHY CHOOSE US

At **RelieveMe Home Care**, you, the client is our top priority and your satisfaction is our passion. That is why our team of qualified health care professionals are trained to treat you as an extension of our family.

We tailor our service to meet your individual needs and you can expect the following from us:

- Proven strategies to overcome your loved one's initial resistance to in-home care services
- Successful match with a caregiver that meets your needs
- Timely response to your inquiries
- Regular solicitation of client feedback on care received and suggestions on ways we can better serve you.

Make the right choice for your home care needs. Choose
